**HISTORY** In 1982, a group of teachers, business leaders and community activists in Petaluma convened to develop funding solutions for area schools in response to major budget deficits throughout the California school system. The outcome was the creation of the Petaluma Educational Foundation (PEF), a privately funded, non-profit organization whose primary goal is to raise money in the community to benefit education. As of April 2022, PEF has provided **\$8,410,577** in support through our programs.

**MISSION** Our vision is to create impactful educational opportunities for all students in our community. Our mission funds programs that promote critical thinking, creativity, student well-being, and lifelong learning.

**FUNDING** PEF receives no public funding. The Foundation raises funds from individuals, corporations and foundations. In addition, PEF manages Alphabet Soup Thrift Stores with two locations in downtown Petaluma. All proceeds from Alphabet Soup benefit the mission of PEF. The Petaluma Educational Foundation is designated by the Internal Revenue Service as a tax-exempt, non-profit, charitable 501(c)(3) organization. Our tax ID is #94-2847212.

## PROGRAMS

**Grants for Schools:** Since 1983, PEF has granted more than **\$4,096,708** to teachers and administrators to fund projects not covered in the school budget. The purpose of our Grant Program is to reward innovative academic programs and foster excellence in education for all Petaluma area students.

**Scholarships for High School Graduates:** The Petaluma Educational Foundation is honored to manage **83** scholarships for donors who provide the Foundation with clear criteria for selecting recipients. In 2022, we awarded \$261,900 to seniors graduating from all seven local high schools, totaling **\$4,315,069** awarded since 1990.

**Managed Funds:** PEF manages over **\$5,149,214** (as of December 31, 2020) in pooled investment and endowed funds with clear directions as to how the funds will benefit the schools in Petaluma. We also manage component funds for school-related organizations and clubs.

**With funding for our schools uncertain, the role PEF plays is more important than ever.**
