OUR VISION

Our vision is to create impactful educational opportunities for all students in our community.

OUR MISSION

Our mission is to fund programs that promote critical thinking, creativity, student well-being, and lifelong learning.

OUR PROGRAMS

Grants for Schools:

Since 1983, PEF has granted more than \$5.3 million to teachers, administrators, and parents to fund projects not covered in the school budget. Our Grant Program aims to reward innovative academic programs and foster excellence in education for all students in the Petaluma area. During the 2025-2026 academic year, PEF has provided \$320,000+ to schools for curriculum-based programs.

Scholarships for High School Graduates:

The Petaluma Educational Foundation is honored to manage 94 Scholarship Programs for donors who provide the Foundation with clear criteria for selecting recipients. This month, we will award \$300,000+ to seniors graduating from Petaluma's seven high schools, bringing the total to \$5.4 million since 1990.

Endowed & Invested Funds:

PEF manages funds with clear directions as to how the funds will benefit the schools in Petaluma. We also manage component funds for school-related organizations and clubs. PEF Invested/Endowed Funds total \$6,586,097 (as 12/31/25).
