# Who is PEF?

## HISTORY

In 1982, a group of Petaluma teachers, business leaders, and community activists convened to develop school funding solutions in response to major budget deficits throughout the California education system. Their result was the Petaluma Educational Foundation (PEF).

## MISSION

PEF raises money within the community to create impactful educational opportunities that promote critical thinking, creativity, student well-being, and lifelong learning.

## FUNDING

We receive no public funding. Instead, individuals, local businesses, corporations, and foundations contribute to advancing PEF's mission.

Additionally, PEF manages Alphabet Soup Thrift Stores with two locations in downtown Petaluma. Proceeds from the stores benefit our mission.
