Who is PEF?

HISTORY

In 1982, a group of Petaluma teachers, business leaders, and community activists convened to develop school funding solutions in response to major budget deficits throughout the California education system. Their result was the Petaluma Educational Foundation (PEF).

MISSION

PEF raises money within the community to create impactful educational opportunities that promote critical thinking, creativity, student well-being, and lifelong learning.

FUNDING

We receive no public funding. Instead, individuals, local businesses, corporations, and foundations contribute to advancing PEF's mission. Additionally, PEF manages Alphabet Soup Thrift Stores with two locations in downtown Petaluma. Proceeds from the stores benefit our mission.

PEF'S ANNUAL PARTNERS FOR EDUCATION: 2025 - 2026

Positively impacting teachers and students all year round in collaboration with PEF.

CREATE A LASTING IMPACT

ESTABLISH A SCHOLARSHIP WITH PEF

We offer a variety of options for administering scholarship funds:

- single year award
- multi-year award
- long-term endowment fund

Scholarships are more than just a means to higher education.

Whether you are a lover of the arts or a lifelong scientist, establishing a scholarship gives you the opportunity to inspire young people with your passion for learning, while enabling them to pursue their own.

PEF is honored to manage over 100 scholarship funds for donors who provide us with clear criteria for selecting recipients. The program supports those going to a 2-year, 4-year college or vocational/trade program post-graduation.
